

Focus Nilfoam 130

PRODUCT DESCRIPTION

Focus Nilfoam 130 is an excellent general purpose defoamer. It is completely silicone-free. Although **Focus Nilfoam 130** is a mineral oil based product, it is dispersible in water.

APPLICATIONS

Focus Nilfoam 130 is designed to be used primarily in soluble oil metalworking fluids. The recommended treat rate in the concentrate is 0.1 – 1.0%.
